Decision Makers	Diocesan Human Life and Dignity (HLD) Grant Review Committee
Purpose	The purpose of this grant is to promote the Catholic Church’s “option for the poor.” Its goal is to assist low-income and vulnerable people to improve their lives through transformation of those policies and practices that keep them in poverty. CCHD is a way of “helping people help themselves.”
Funding Source	Funds are derived from the Diocese of Raleigh’s share of the US Catholic Church’s National CCHD Special Collection taken up annually in all Catholic parishes throughout the country. 25% of the national collection is retained in the diocese to use at their discretion.
Intended use and Restrictions	<ul style="list-style-type: none"> • These funds are intended to promote social justice and remove root causes of injustice by improving structures, e.g., to expand access to affordable housing, improve education, legal protection for the unborn, environmental protection laws, and promoting peace. Projects must empower vulnerable persons to improve their lives in a concrete way and become agents of their own destiny. • CCHD grants cannot be used for charitable works which are a response to immediate needs and specific situations, e.g. to purchase food, clothes, or housing. • For an explanation on social justice and charitable works see the “Two Feet of Love in Action” • The funds are intended for projects to assist with growth and NOT for operational costs. Applications that propose to increase fundraising capability, expansion (e.g. “seed money” for new projects and incremental improvements), and organizations who promote the national collection, will be prioritized. • Organizations may receive grants for a particular project for no more than three consecutive years. If a second or third application, a grantee report must be submitted showing the use of the funds. New applications will be prioritized.
Brief History	The CCHD is the church’s domestic anti- poverty program established by the U. S. Conference of Catholic Bishops (USCCB) in 1970. The principle is that those living in poverty are best able to seek solutions to their problems. Available grants from the Catholic Campaign for Human Development assist in this endeavor.
Grant Range	Grants range from \$500 to \$3,000.
